Favor Zion, the set time, has come*

In Daniel's Prophetic Vision*, we read that many people will run back and forth as information increases throughout the world. People are running as chickens with their heads cut off- flapping wildly, and frantically. Our daily newsfeeds are flooding our mailboxes and brains are overloaded as we hear conflicting "experts" and opinions.

Prophets see mountaintops to mountaintops and sometimes its hard for us reading prophetic writings to gauge the length of the valleys and the time between events. But we know that knowledge and information has increased and AI will continue to increase information availability, and we know that NOW IS THE TIME to Favor Zion!

My brother -in- law and I were discussing the benefits and potential health concerns of flax seeds: We were reading on the internet conflicting claims and warnings and conflicting benefits and hazards. There were hundreds and hundreds of opinions and "scientific" evaluations. In utter frustration he said, "there are never any right or wrong answers anymore!

There are always opposing responses to everything!!! And that was about flax seed show much more are there wildly conflicting pontifications concerning Israel and the terrorist organization Hamas.

When I and my (Christian) Arab friend Ramzi Hishmeh would speak in Seminars in churches and on college campuses on the solution to problems in the mideast and around the world we would begin with an embrace and a holy kiss and then state we have opinions, you the audience, has opinions but we would only believe and speak the Words of The Lord.

In fact, the audience would literally sit divided- jewish students on one side of the hall, moslem students on the other side, with a large group of secular young people and professors in the middle- all surrounded by the entire security force of the campus and a few local police. And the words we spoke are the words we continue to proclaim: Now is the time to Favor Zion.

Whose report shall we believe- We will believe the Word of The Lord.

Yeshua is the Way and THE TRUTH and the Life, and the devil is a deceiver and comes to kill and destroy (See the article – Who and What is Hamas)

Who, what is Hamas?

We are wise enough to believe what Hamas and the PLO say about themselves and about The Land of Israel. We have the understanding to know that The Word of God is true and that we who follow Yeshua, Jesus the Messiah, follow the Living Word. We hear the Voice of Adonai, and the voice of another we won't follow into deception.

Adonai, the God of The Bible, made covenant with Abraham giving him and his chosen children a blessing on those who bless them, the land of Israel and the promise of the Messiah. These three intertwined promises of Blessing, Land and Messiah flow from Abraham to Isaac to Jacob and onto all the children of Israel. The Bible goes on to say that there are blessings for Ishmael and his children but that the Covenant promises go to Issac and Jacob (Genesis 17:18-21: "If only Ishmael might live under your blessing!"

19 Then God said, "yes, but your wife Sarah will bear you a son, and you will call him Isaac.[a] I will establish my covenant with him as an everlasting covenant for his descendants after him. 20 And as for Ishmael, I have heard you: I will surely bless him; I will make him fruitful and will greatly increase his numbers. He will be the father of twelve rulers, and I will make him into a great nation. 21 But my covenant I will establish with Isaac, whom Sarah will bear to you by this time next year." The blessings on those who bless Israel, The Land of Israel and the Coming Messiah are all for the Jewish people.

The Palestinian Charter, established in 1964 calls the Land of Israel, their land. (article 1: Palestine is an Arab homeland) and it article 17 states that the re-establishment of Israel is illegal., while article 18 calls the Balfour Declaration a fraud and that the Bible accounts of history a lie. An interesting side note is article 24 states that Gaza is not part of their charter.

The death covenant of Hamas established in 1968 state that Hamas is Islam (article 1) and that all of Israel is really an Islamic land article 11).

Article 13 gives the true tactics and mindset of Hamas: "Initiatives and PEACEFUL SOLUTIONS are in contradiction to the principles of Hamas. Have you ever seen the Will Smith movie Independence Day? In a pivotal scene the president talks with the alien invader and as a good liberal humanists asks what can we do to get along? How can we work together? what do you want? The alien replies: " We want you dead."

Hamas wants to rid the Land of Israel of the Jewish people and establish a moslem caliph. Oh, and article 14 states that moslem mothers should teach their children to be haters and fighters.

(Very) Brief Secular History

Abraham, Issac, Jacob and their children lived in the land of Israel, They all went to Egypt because of famine in Israel where they were welcome by their brother Joseph who was second in command of the whole empire These Hebrews or Children of Israel stayed 400 years, but always knew they would go back to The Land that was promised to them (in fact, Joseph made them promise that his mummy would be carried back to the ancestral burial ground near modern day Hebron.

As the Jewish people left Egypt they were joined by a "mixed multitude" of people who had witnessed the power of Adonai and the despoiling of Egypt. Moses led the now great assembly of Israelites to the borders of Israel, where his assistant Joshua took command and oversaw the armies of Israel in the conquering of the Land where Abraham, Isaac and Jacob had lived, the Land promised to The Jewish people. This all occurred from 1800 -1400 Before the Common Era.

The Kingdoms of David and King Solomon expanded the territory and jurisdiction of Israel to almost the size promised in God's original Covenant. There were subsequent wars, deportations and repopulations of the Land until the time Greece and then Rome took dominion over The Land. A revolt against Roman rule shortly after the time of Jesus, ended in forced expulsion of Jewish people and the renaming of The Land of Israel to "Palestine" 500 years later in 570 AD, Mohammed started a new religion, Islam.

The Land of Israel came under Moslem, Christian and Ottoman (Turkish Moslem) rule until the end of World War I, when the British received a mandate to govern a great swarth of the mid-east, including the Land of Palestine (Israel.) In 1917 The Balfour Declaration promised the reestablishment of a Jewish State in Israel. After World War II the United Nations voted to establish Israel. Israel fought off 7 Arab nations and became a free country. At the same time there was no Palestinian state. All of the territories, the West Bank, East Jerusalem, the Gaza strip were administered by Jordan and Egypt. There have been subsequent wars in which Israel won back more territory and peace accords where Israel gave back some of the conquered territory including Sinai and Gaza.

Israel gave up Gaza in September 2005, hoping that self rule in Gaza would provide the election a reliable peace partner. Hamas took over Gaza, murdered and expelled all rival political groups and has ruled until now. Hamas is a terrorist organization with political control over Gaza.
